Covid19 has put more distance between us and our loved ones that we would like, but In the Booth's Guest Cam can help!

Step One

Download our free app from the App Store or Google Play. Search for 'inthebooth' with no spaces.

Step Two

Wait for the party to start. Open the app, tap 'Guest Cam' and enter this unique Guest Cam code for your event: Tap **GO!**

Step Three

Guests anywhere in the country can capture Guest Cam photos on their device and the booth will print them at the party - like magic!
